**EMR, Inc. Receives National Certification as a Women's Business Enterprise.**

*Lawrence, KS – February, 01 2010* – EMR, Inc., a company specializing in infrastructure and environment, received national certification as a Women's Business Enterprise by the Women's Business Development Center – Chicago, a regional certifying partner of the Women's Business Enterprise National Council (WBENC). EMR is also a member in good standing with the "Women's Business Council – Southeast", a certifying affiliate of WBENC.

WBENC's national standard of certification, implemented by the Women's Business Development Center – Chicago, is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.
