

FOR IMMEDIATE RELEASE

(Homestead ARB, FL). EMR Inc. was awarded a \$ 652,898 task order under a COMPEC IDIQ Contract, on September 29, 2009. EMR Inc. will renovate blast doors for 17 munitions storage bunkers at Homestead ARB, FL. It is the ninth project win under EMR's Comprehensive Operations and Maintenance Performance Execution Contract (COMPEC) for the Air Force Reserve Command. COMPEC total contract wins as of this date are \$11.2M.

"Congratulations and thanks to Troy Threet, EMR's newest project engineer, for helping me put this one together", said James Foster, East Region Manager. EMR is currently on site at Homestead ARB as a part of our current munitions repair task order; we are repairing another of the blast doors.
